

Mission

The mission of the bipartisan Pediatric Cancer Caucus is to serve as a clearinghouse for information on pediatric cancer and a forum to aid Members of Congress in working together to address pediatric cancer. The Caucus will strive to raise awareness about pediatric cancer, advocate in support of measures to prevent the pain, suffering and long-term effects of childhood cancers, and work toward the goal of eliminating cancer as a threat to all children.

About the Pediatric Cancer Caucus

Chaired by Representative Joe Sestak and Representative Michael McCaul, the Pediatric Cancer Caucus was launched in June of 2009 to better direct Congressional resources and efforts to the cause of preventing pediatric cancer.
